

April Newsletter 2022

Spring has Sprung

It is April and the weather is officially lightning up and allowing us to go outside more and more! We had a great last month and are ready for this month to be even better! Our first week we will be learning about Spring! We will also focus on spring animals, flowers, and gardening. We will also be working on and learning about easter and bunnies in the Preschool Room. In addition, to that we will continue to work on alphabets, numbers, colors, and shapes.

For toddlers, we will learn about spring weather, spring animals and senses. We will continue to work on their cognitive skills and engage in cooperative activities. For infants, we will be introducing different mediums of painting i.e. cotton, sponge, and feathers.

For a whole month we will be doing various sensory and messy plays and continue to work on various domains. For OSC, we will be working on ocean and sea animals. This theme will include various sensory, literacy and science activities.

Important Dates

- April 15-Good Friday
- April 17- Easter
- April 21-National Kindergarten Day
- April 22-Earth Day
- April 23-National Picnic Day
